

Justin Gregoire

Seasoned Data Scientist with a robust background in data analytics, statistical modeling, and business intelligence. Expert in transforming complex data into valuable strategic insights. Proficient in cross-functional collaboration, driving strategic initiatives across various industries including ed tech, social media, ecommerce, cloud computing services, and health care.

Professional Experience

- 2024
|
2023

●

Senior Data Scientist

Nextdoor

San Francisco, CA

- Data science lead for 'New Neighbors', identifying multiple opportunities to improve user experience
 - Proposed and implemented tests to logged-out experience, reducing user friction and boosting registration rate.
- 2023
|
2022

●

Senior Data Scientist, Product Analytics

TikTok

Mountain View, CA

- Embedded in US E-Commerce team for TikTok Shop launch, analyzed rollout performance across multiple regions, and advised on UX and product enhancements.
 - Created RFM segmentation and made recommendations for high-value segment expansion.
- 2022
|
2021

●

Senior Data Scientist

Skillshare

New York, NY

- Utilized k-means clustering to develop nuanced understanding of teachers' audience engagement. Incorporated cluster insights into modeling potential of monetization features (i.e. Paid 1x1 sessions), demonstrating potential sales growth of 5-50%
 - Collaborated with personalization & discovery teams to design and analyze experiments for content recommendation, onboarding enhancements, and other features
- 2021
|
2020

●

Data Scientist

Skillshare

New York, NY

- Successfully collaborated with the VP of Growth, conducting an in-depth evaluation of potential markets for international expansion. Presented insights and region-specific go-to-market strategies, which included key elements such as subscription pricing, marketing tactics/budget, and product positioning, to the C-suite.
 - Developed and implemented an algorithm to project teachers' monthly royalty payments.
- 2020
|
2019

●

Marketing Analytics Manager

Skillshare

New York, NY

- Worked with product to iterate on subscription pricing strategy to balance against company goals around sales and subscriber growth. Evolved the data science strategy from standard A/B testing, to multi-armed bandit testing to achieve optimal price points
 - Implemented a "first touch" marketing attribution model choosing from among heuristic and algorithmic methods based on output accuracy, implementation, and interpretability.
- 2019
|
2017

●

Digital Senior Analyst, Marketing Analytics @ Google

Accenture

San Francisco, CA

- Led a team of four data analysts for an acquisition project; collaborated with departments to define metrics and build data pipelines.
- 2017
|
2016

●

Digital Analyst @ Zynga

Accenture

San Francisco, CA

- Partnered with the VP of User Acquisition to build analytics tools and generate insights, achieving an uplift in returns on ad spend from 70% to 115% on an annual budget surpassing \$100M. Pioneered real-time user Lifetime Value modeling, enabling markets to optimize budget allocation.
